Cardiff University Virtual International Summer School 2021

19 - 30 July 2021 | £150

Welcome to our Virtual International Summer School!

Join us on an exciting learning and networking opportunity with Cardiff University this summer; connect with people from across the globe and prepare for your future studies in a fun, flexible and informative way.

Attend live, interactive sessions with our academic experts; access our private learning and networking platform; chat with our staff and students from all over the world and experience what it's like to be a Cardiff University student — all from the comfort of your own home.
